Advertisement for Consultant Engineering Services

Section # 12-00071-00-BR
FAS 937/ CH-2/ Tick Ridge Rd
Bridge Over Post Creek Cut-Off Replacement
Structure # 077-3000

The Pulaski County Highway Department is seeking interest for the Phase I and II Preliminary Engineering for the above-mentioned project. If interested please provide Statements of Interest and Statements of Qualifications (SOI/SOQ). The SOI/SOQ consists of the following:

- Cover letter identifying your firm has interest in providing services.
- The applicable IDOT prequalification's held by the firm.
- Summary of the key personnel proposed for work on the project.
- Brief description of similar projects completed.

The SOI/SOQ shall not include any information regarding compensation for services. Pulaski County's Consultant Selection Process can be reviewed at <http://www.pulaskicountyil.net/highway-department.html>. A copy of the project scope has also been posted to our website. If interested please provide the SOI & SOQ by 11:00 A.M. Sept 13, 2017. If you have any questions feel free to contact me at (618)342-6208.
